DESMOND HAYNES
in association with
ELITE CRICKET COACHING AT REPTON SCHOOL

2nd, 3rd and 4th July 2010
8.00am – 1.00pm

Elite Sports Services and Repton School are pleased to announce that **Desmond Haynes**, the West Indian cricket legend, will be joining us for an Elite coaching program at Repton School on 2nd, 3rd and 4th July.

Desmond Haynes and Gordon Greenidge were one of the best opening partnerships in the history of cricket. Desmond went on to play and coach Middlesex CCC and has been involved in West Indies cricket since he finished playing at the top level. This is an opportunity to have specialist coaching from one of the worlds greats.

We will teach the absolute basics through to fine tuning techniques already learnt. We will provide the sound foundations for each aspect of cricket and develop them over the 3 days. This course is open to boys and girls from the age of 8 years to 18 years. There will be four professional coaches in attendance.

We will be using video analysis to show strengths and weaknesses in technique and providing a copy to take away so that each child will have a visual record with commentary to replay time and time again, and compare with analysis from our future academy programmes. This is a Master Class course with one of the top batsman in history and we will be continuing this theme bringing other top international players to Repton in the future.

We are limiting numbers on the course to ensure that players will have the attention required to learn in a relaxed atmosphere with top coaches and recommend early Registration to avoid disappointment.

The cost for the 3 day course inclusive of video analysis and DVD is 2000AED.
