

Senior School Uniform Code

Introduction

The aim of the Repton Senior School Uniform Code is for pupils to present a neat appearance, while feeling comfortable in what they wear. The basic design and colours of the uniform derive from Repton School in England, reflecting the closeness of the relationship between the two schools, though allowance has been made for the very different climate conditions in the UAE and Britain.

All uniform items and accessories can be purchased at school; further information on this can be found on the website.
